OUR MISSION

Our mission is to bring Joy To The Nations through the Gospel of Jesus Christ.

OUR VISION

To bring souls into the Kingdom of God

To demonstrate to the nations, through the Love of God, that they are not forgotten, they are not abandoned, but are called to be children of God and are loved by the Body of Jesus Christ

To raise up new generations with extraordinary faith to believe that God can change nations through them

To raise up fathers and mothers of faith, building the Kingdom through discipleship, thereby making them "fishers of men"

JEN COOK

MISSIONARY

 **SERVING HONDURAS** 

Bay Islands Ministries

Jen has been a missionary since July 2001 and has served in various roles both in the US and abroad including the following nations: Philippines; Guatemala; Costa Rica & Honduras. Presently, she is serving full-time in Honduras since January 2011.

Jen has always had a heart for those who live in the islands of the world. After more than six years on the mainland of Honduras, God has called her to the Bay Islands of Honduras. She is currently residing on the largest of the Bay Islands, 40 miles north of the Honduran mainland in the Caribbean Sea.

Roatán is a developing island that is being influenced positively and negatively through growing tourism. The issues in the islands are much the same as that on the mainland of Honduras including poverty, lack of education, lack of affordable health care, growing prostitution and sex trafficking, high cost of living (most things are imported and electricity and water costs are higher due to limited resources).

Through JTTN's various ministries on the islands, Jen is excited to see people come to know Jesus and mature in His Word

Jen would like to see you credited with the Salvation of Lost Souls in Honduras and in the World, bringing Hope and Encouragement to the hopeless and impoverished children and families, desiring to witness a World-wide Revival starting in Latin America!

By joining Jen's Team of committed prayer and faithful financial partners, you will be fulfilling a vital role in Christ's Great Commission and in turn, this present ministry, which she believes will lead you to experiencing spiritual fruit credited to your Eternal Account in Heaven! Connect today with the Joy, the Blessing and the Eternal Reward of Being an Expression of Christ to the Nation of Honduras.

JTTN currently has three main areas of ministry focus for the Bay Islands.

BIBLE INSTITUTE

God has done amazing things through our Bible Institute, raising up and maturing Christians in the Word of God, preparing them to Lead, Evangelize and Pastor. This is a solid Biblical Training that is broken down into one year, two year and customized programs that teach foundational truths of the Word of God and build into a deeper relationship with God by understanding His Word. Many Pastors in this area have received little or no education in the Word of God but have such a desire to mature in their biblical knowledge. This Bible Institute empowers them to be better Pastors, Leaders and Teachers and they grow in their knowledge of the Word. Giving Code: BI

CHILDREN'S LEADERSHIP TRAINING

By Training local Pastors and Children's Leaders, we hope to encourage a culture of raising up children to worship, minister and evangelize! Though Children's Crusades, we can show local churches how to draw hundreds of children and their families to hear the word of God. And through further training teach them how to develop an ongoing ministry in their church that not only ministers to parents but

may even begin a true revival among children in the islands. Giving Code: CHEO

PROPHETIC EVANGELISM

Because of the tourism associated with the Bay Islands, we have the opportunity to reach people from all over the world as they visit the islands. Our vision is to train nationals in prophetic ministry and offer free dream interpretation and prayer at a booth in the heaviest tourist area of the island to those visiting from other nations. People are seeking the supernatural and we can introduce them to the supernatural power of God in unexpected ways! Giving Code: CHEO
