

Aside from your personal relationship with God, very few things will change your life the way an overseas mission trip will! You will see and experience God in a whole new way, broaden your experience and open your eyes to another way of life, learn about other cultures and maybe even consider missions as a lifestyle.

JOY TO THE NATIONS Mission Adventure

God has put the world in
your hands...

What are you going to do
with it?

*"Ask of Me, and I will make the nations your heritage,
and the ends of the earth your possession." - Psalm 2:8*

LES ESPERAMOS!

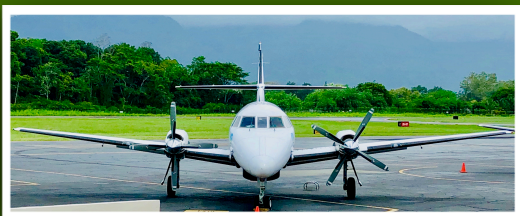

We wait for you! We are excited to have you join us for the amazing adventure of preaching the Gospel to the poor, healing the brokenhearted, preaching deliverance to the captives, recovering sight for the blind and setting at liberty them that are bruised. (Luke 4:18 KJV)

Each day is an adventure whether you are ministering to individuals, laboring for the harvest, or exploring the island's unique characteristics.

To the right you will see some estimated costs for a short-term missions strip. Each mission trip is different and we will work with you or your team leader to customize your missions experience. Your team leader will receive a Team Leader Guide to help your group navigate the preparations. It is best to plan an individual trip at least six months out and group trips nine months to one year ahead.

Contact us Today to Start your Adventure!!

INDIVIDUAL APPLICATION: \$150

After contacting us to begin your adventure, you will receive an application packet. You'll need to complete an application and have your pastor complete the included referral. The deposit will be applied to administrative fees for your trip including a complete background check and housing deposit.

GROUND COST: APPROX. \$850-\$1200

Trip costs can vary depending on the type of ministry being done, on-ground transportation needed, number of people in the team, among other things. This amount represents the average cost for a one week short-term trip with a variety of ministries. Cost includes all food, ground transportation, and ministry expenses. It does NOT include airfare, snacks, or other miscellaneous costs.

To further enhance your adventure, each one week mission's trip includes a day off to explore. In Roatan that could include snorkeling, scuba diving, zip-lining, a beach day, or even hanging out with monkeys and sloths! We will work with your Team Leader to coordinate your exciting day-off activities!
